President's Message

Welcome to our Shul's twenty-second annual Dinner!

This year we are fortunate to honor **Rabbi and Mrs. Yitzchok Gutterman, Rabbi and Mrs. Mordechai Merzel** and the members and wives of the morning Chaburah.

The morning Chaburah is the brainchild of R' Yitzchok and R' Mordechai and their Mesirus Nefesh towards establishing and maintaining the Chaburah is simply amazing. With the encouragement of the Rav, shlit"a, they designed the format, recruited members, and set up Chavrusas. Much of this effort continues on an ongoing basis as well as raising funds for stipends and writing and grading the Bechinos.

The Chaburah now has 24 active participants and the group has covered hundreds of Blatt of Gemara in the few years since its inception. Our Beis Medrash has been greatly enhanced by the creation of this Chaburah. Not only has it strengthened the learning in the morning, but it also led to the creation of a similar program at night. This Chaburah is just one of many excellent opportunities for daily and weekly learning in our Shul. It is my hope that this recognition will inspire others to join one of them or to start other new and exciting initiatives.

B"H our Makom Torah continues to grow and flourish under the leadership of our Mara D'asra, HaRav Sacks, shlit"a, who leads, teaches, and inspires us throughout the year. As we look to the future, we hope to add additional Chaburos and Shiurim that will I"YH further increase Torah learning in our Shul.

L'hagdil Torah U'lhaadirah!

Mordechai Golombeck

To our dear cousins,

In your own quiet way,
Chessed fills your day.

You are true examples of the Torah
way of life,
Mordechai you deserve this honor
along with **Shoshana** your wife.

You help everyone to excel,
That must be why you pronounce it
Mer-ZEL.

Which we *Merzels* know is
completely wrong,
That's why this poem is very, very
long.
